

Vertiv / E+I Engineering Bursary Fund

As part of our commitment to supporting the future engineering workforce, E+I Engineering intend to provide a bursary fund for students interested in pursuing a third level course in Electrical Engineering with career opportunity with E+I Engineering post-graduation.

The award will be €1000 each academic year of financial support having submitted exam results and worked a 4-week paid summer placement. Following graduation and on completion of Year 1 of employment with E+I Engineering, an additional one off gross payroll award of €5000 will be made.

It is also a mandatory necessity that any student on the Bursary programme completes a paid placement of 4 weeks per summer as a minimum at one of our facilities for funding to continue.

THE CRITERIA

All applicants:

1. Must be resident in the North West Region
2. **Must be accepted on a full degree course in Electrical Engineering in NI or ROI or a Control & Automation Degree in the UK or Ireland (Newcastle University, University of Lincoln, Dublin Institute of Technology as examples)**
3. Applicants must be willing to commit to paid placement for a minimum of 4 weeks each summer during their degree programme.
4. Applicants must complete their Industrial placement at E+I Engineering (where applicable)

Applications can be made by completing the attached application form **and** submitted to:

HR Department (ref: Bursary Fund)
E+I Engineering Ltd.
Ballyderowen
Burnfoot
Co. Donegal

Or emailed to Sharon Long (Snr HR Officer) - sharon.long@vertiv.com
