# Progressive & Ambitious

---

Progressive and ambitious from the top down, Nuprint is at the forefront of the label and packaging sector in the UK and Ireland thanks to constant innovation and investment from a dedicated team. Passionate about using new technology and the very latest advancements in the print industry, we're always pushing boundaries and testing our limits to ensure we deliver the very best.

# Why Choose Nuprint

# Experience & Knowledge

With more than 30 years' experience in the labelling industry, Nuprint has the professional knowledge and expertise to ensure the very best quality labels for your brand. Combining this experience with our superior technical capability, it's a winning formula for increasing sales and making an impact.

A hand is holding a yogurt container with a custom label. The label features the text 'No-MADIC Yogurt & GATS & CRUNCHY CLUSTERS' and 'BLACKCURRANT & BLUEBERRY'. The background shows a printing press with several yogurt containers on a conveyor belt.

## Reactive & Flexible Approach

At Nuprint we can quickly turn around short and medium digital print runs - perfect if you're on a tight deadline or require product samples for a last-minute business meeting. Our short run mock-ups can also be delivered in bottle or label-only form, with hot foil and embossing finishes for digital orders still available.

## Dedictated To Innovation

Nuprint delivers smarter labelling solutions because we're constantly investing in both our people and our technology. Keeping up-to-date with all the latest industry research and developments, we help our clients to develop ever more creative ideas for their products and will always have a solution, whatever they need.

# Commitment To Quality

With a vibrant eight-colour palette to choose from, along with hot and cold foiling options, embossed and raised type features, our labels are of the very highest quality. Expertly designed to stand out from the crowd, our bespoke Nuprint labels are available in everything from premium uncoated paper to gloss and satin-coated finishes. Having invested £2.5m in our equipment and staff training, we only deliver the very best.

# Advanced Production

With the very latest technology and an expert team dedicated to creating cutting-edge designs for our clients, we have the resources to ensure all your labelling and packaging needs are met. Having invested millions in our equipment, we offer premium services and have developed market-leading shrink sleeves that satisfy even the most demanding brand management specifications.

## Fully Accredited Facility

Nuprint holds a BRC AA High Hygiene certification. This allows us to provide direct food contact packaging services to our clients and are one of the only high hygiene category label manufacturers within the UK and Ireland.

# Sustainability

Nuprint strives for net-zero status, using renewable energy and LED lighting. We collaborate with suppliers to ensure materials align with our goals:

- enable reuse, recycling, or composting
- contain recycled or renewable content
- responsibly sourced.
- Avery Dennison's circular liner recycling service and zero-waste-to-landfill approach.
